The Chief Happiness Officer Blog | positivesharing.com

This is Danish author Alexander Kjerulf's home base on the Internet while he travels the world from Moscow, Russia to Santiago, Chile giving speeches on happiness in the workplace. He's entertaining, insightful and clear. He'll often post a quick blog just to share an interesting quote he's heard, or a video from one of his talks. A former software developer, Kjerulf switched careers about a decade ago to dedicate himself to his passion of creating happy workplaces. He's an advocate of logical, science-based steps toward workplace happiness.

ConantLeadership Leadership at Work | conantleadership.com

Douglas Conant is a bestselling author and keynote speaker with more than 35 years of experience leading global companies. His writing is often personal and even poetic. He lives and breathes workplace gratitude. Writing thank-you notes is a lifelong practice of Conant. While CEO of Campbell Soup Company, he wrote more than 30,000!
